VW A5: Driver Door Wiring Harness Replacement (Part 1)

Wiring diagrams TDI 101. IF I am able to go through with this project, I don't think that I would be able to do the CAD drawings; there are roadblocks that may inhibit that ability for me. As things settle down in the coming months, I'll have more information and can go forward from there, but right now, I'm trying to get some things in place for when (if) I can actually do this.
