Incoming Seventh Grade Summer Packet
Each week this summer please complete one of the following review sheets. Please show as much work as you can for each problem. This will help if you are asked how you got the answer. These review sheets will be collected on the first day of school and will be counted as one quiz grade for the first quarter.

About the Summer Packet (7th Grade Math)

The summer math practice packets for incoming first-grade through ninth-grade students provide an opportunity for continued practice. Some of the problems will be easy, while others will be more challenging. Please use these packets as a resource in whatever way is best for your child.
