The AIB GMP and Prerequisite Guide

While the inspection follows regulations, AIB is an industry advocate there to educate, not regulate. Approximately 60-70% of a GMP Inspection is spent in the manufacturing and storage areas and the other 30-40% confirms the effectiveness of programs.

Consolidated Standards for Inspection - AIB International

AIB International Inc. does not accept or assume responsibility for the Prerequisite and Food Safety Programs in effect with the customer named on the title page of this report (the customer). AIB International Inc. is only reporting the food safety conditions of the customer as of the date of this report and assumes no responsibility or
