Amazon.com: Customer reviews: Anatomy of the Soul ...

"*Anatomy of the Soul*" by Dr. Curt Thompson claims that it is possible to "rewire your mind" to change your life and have better relationships with others and with God. The premise of the book seemed interesting because it melds science and faith together, and I'm all for improving relationships.

Anatomy of the Soul: Surprising Connections between ...

Thompson borrows John Calvin's description of the Psalter as an *Anatomy of the Soul*. His book illustrates how our minds embody our physical self, that is profoundly relational, regulates our flow of energy, and is interconnected with other's minds.

Tyndale | Anatomy of the Soul: Surprising Connections ...

Anatomy of the Soul. *Anatomy of the Soul* examines the process of paying close attention to our brains and our relationships—a process that not only strengthens our awareness of their existence, but enhances our ability to become more joyful, courageous, kind and secure as we interact with those around us. Furthermore,...
