~~Awaken Book Series - ThriftBooks~~

Kacvinsky takes aspects of our current society, and expands them in such a way that the events that unfold in Awaken are totally believable. I found myself afraid that my kids will miss out on the world I experienced growing up, due to our society's digital trend. Awaken's main theme is digital school. Because of school shootings, bombings and ...

~~Awaken 1 Katie Kacvinsky~~

Katie Kacvinsky's debut novel, Awaken, takes the reader to the year 2060, when every aspect of life has become digitalized. People hardly go out anymore; they have confined themselves to their homes after tragic incidents in the past and live through their computer, socializing only in online

communities.

~~Katie Kacvinsky (Author of Awaken) — Goodreads~~

The question over technology and how big a role it plays in our lives is at the very heart of the novel *Awaken* by Katie Kacvinsky, a lightly dystopian tale set in the not-too-distant future, in a world not that unlike our own. *Awaken* tells the story of 17-year-old Maddie, whose technologically based life is shaken when she meets the mysterious Justin. Up until now, Maddie's been fairly content living a solitary life, going to school through online "Digital School" and socializing ...

Awaken / written by Katie Kacvinsky. p. cm. Summary: In the year 2060, when people hardly ever leave the security of their houses and instead do everything online, Madeline Freeman, the seventeen-year-old daughter of the man who created the national digital school attended by all citizens, is wooed by a group of radicals who are trying to get people to "unplug."

~~Awaken (Awaken, #1) by Katie Kacvinsky~~

Interestingly enough, the story is also about all the beauty and nature this society has lost. With a need for technology that borders on the pathological, and a complete abandonment of anything natural for that which is safe, controlled, and digital, this cover is a natural fit (pun intended) for Katie Kacvinsky's *Awaken*.
