### [Audubon Bird Guide on the App Store](#)

The Collins Bird Guide App combines world-class illustrations and comprehensive information with intuitive design to create the ultimate field guide for passionate birders and casual birdwatchers...

### [Audubon Bird Guide - Apps on Google Play](#)

I moved to panama recently and wanted to have a field guide to give me info on the birds I may encounter while I live here. I excitedly bought this app and figured for 15 bucks it had to be great...what a mistake. This app only has a small amount of honestly useless features and it gives you zero info on the birds it contains.
