Wealthy Black Americans have more money in real estate holdings than equally wealthy white Americans. The former hold 41% of their non-financial assets in (non-primary residence) real estate, while the figure for the latter is just about 22%. Adding in primary residences brings those numbers to 57% and 34%, respectively.

The requirements to get a black card aren't publicly available either, but based on other users' reports, you should probably: Use other Amex cards. Be an active cardholder for at least a year. Charge at least \$250,000 per year (though some estimates are as high as \$450,000)

Black American Money

Black American Money is just an awesome book. Dr. Watkins does not provide financial advice or strategies to produce wealth but instead explained in layman terms the importance and the process on how money works. It will be an eye-opener to those who does not have a full grasp of money management and the U.S. money system.
