Boeing 747 - Wikipedia
The Boeing 757 is a mid-sized, narrow-body short to medium range, twin-engine airliner that was designed and built by Boeing Commercial Airplanes. It is the manufacturer's largest single-aisle passenger aircraft and was produced from 1981 to 2004. The twinjet has a two-crew member glass cockpit, turbofan engines of sufficient power to allow takeoffs from relatively short
