I also like that this book celebrates the uniqueness of Casey without tagging it with a label. It honors his desire to wear girl's clothing and other things traditionally worn by girls. I think this book would be good for children who are gender non-conforming, but also other kids to promote understanding and tolerance.

Sure, it's hard not to include a wee bit of sparkle, but even if pink isn't your children's favorite color, they are sure to love these books. To give readers of all ages a new unicorn book to love, I've included my favorite choices for picture books, graphic novels and early chapter books, plus some middle grade titles.
