Creole for kids: Learn Creole for Children - Teach Kids Creole

Pidgins and creoles in education. The recent Sociolinguistics and Language Teaching, edited by Sandra Lee McKay and Nancy H. Hornberger (Cambridge University Press, 1996), contains an excellent chapter on "Pidgins and creoles" by Patricia C. Nichols (pp.195-217).The chapter is a comprehensive but very accessible introduction to P/Cs and some of the educational issues concerning them, and ...

9. TRENDS IN TEACHING STANDARD VARIETIES TO CREOLE AND ...

A creole language, or simply creole, is a stable natural language that develops from the simplifying and mixing of different languages into a new one within a fairly brief period of time: often, a pidgin evolved into a full-fledged language. While the concept is similar to that of a mixed or hybrid language, creoles are often characterized by a tendency to systematize their inherited grammar ...

Teaching Creole-Speaking Children: Issues, Concerns and ...

This paper reviews how attitudes towards creoles influence their place in educational contexts, some of the challenges for research on creoles in education, approaches to teaching creole-speaking children with particular reference to bilingual programs, and the ramifications of standardized testing for creole-speaking students.

---

Speaking Creole To Siah For 24 Hours

Many of our Creole speaking children believe indeed that they are speaking English and often fail to perceive the structural differences between the two languages relying solely on vocabulary for comprehension. This has necessitated the need for perception of the targeted structure which should involve explicit
