200+ CAKE ideas in 2020 | cake, cupcake cakes, cake decorating

Cake decorating originated in 17th century in Europe. During the 1840s, the advent of temperature-controlled ovens and the production of baking powder made baking cakes much easier. As temperature control technology improved, an increased emphasis on presentation and ornamentation developed. Cakes began to take on decorative shapes, were adorned with additional icing formed into patterns and ...

the very beginning of my cake journey that you can't put your cakes in the fridge because if you did, the cakes would sweat and that would ruin the fondant.

8 Cake Decorating Tips You Need to Know (Beginners ...

Many people who are trying to decorate cakes tend to get lost on the subject of decoration. It seems that decorating is something that happens after the cakes are finished. I know some people will try to learn a few tricks in decorating and then stick with them when they feel comfortable with it, but for many of us, decorating cakes can be a lot easier if you start from the beginning. The first ...
