Volvo S70 Rough Idle - RepairPal.com

2000 Volvo S70 Base The gas is very good on my Volvo! I've had this car since 2004 and it's been working well ever since! As long as you take good care of your car and get the oil changed you are good. The Volvo is a very good family car and I recommend it for everyone. If you haven't test drove one today you totally should.

Check Engine Light On Problems of the 1999 Volvo S70

The Volvo Halifax Assembly Plant located in Halifax, Nova Scotia was opened on 11 June 1963 by Prince Bertil. It was the first assembly plant Volvo opened outside of Sweden and the second non-domestic auto plant in North America after Rolls Royce. Volvo decided to open to the plant to bypass hefty North American import tariffs on foreign goods and to capitalize on the newly signed Canadian ...
