Casella And Berger Solutions Manual

This solutions manual contains solutions for all odd numbered problems plus a large number of solutions for even numbered problems. Of the 624 exercises in Statistical Inference, Second Edition, this manual gives solutions for 484 (78%) of them. There is an obtuse pattern as to which solutions were included in this manual.

Solutions-casella-berger - LinkedIn SlideShare

Casella and Berger (2001) is a good reference in case a reader is lost with the 'basic' concepts or sketchy math derivations. We obviously welcome solutions, comments and questions on possibly er-roneous or ambiguous solutions, as well as suggestions for more elegant or more complete solutions: since this manual is distributed both freely and in-
