Challenge and Change | EDUCAUSE
Individual learners can think ahead how to do the task (strategic planning) and plan the language they need. This helps to stimulate engagement. But sometimes let them do a task without preparation, spontaneously (involves different skills). 3 Interaction patterns: individuals, pairs, groups, whole class.

Challenge i and Change in Language Teaching
Note: Citations are based on reference standards. However, formatting rules can vary widely between applications and fields of interest or study. The specific requirements or preferences of your reviewing publisher, classroom teacher, institution or organization should be applied.
