(don't have my codex on me for spelling but know the rules) and for those who don't know it has all the rules for terminator armor with a 4+ invulnerable and it will not die. I don't want any comments on how the fluff of the armor says it is terminator armor and I can't give it to my lord with a thunderwolf.

Kinda hard to follow what Notbriang was quoting, as it's typical GW Gibberish. If the character is using the Formation or Detachment rules of 'Champions of Fenris' (CoF), he has to use the Relics from CoF, and may choose to roll on either the Warlord traits table from the Space Wolves codex, or the Warlord traits from CoF. If your Primary detachment/Formation is from CoF, and you have an ...

Librarians in Codex: Space Marines. Q: In the Champions of Fenris supplement, the Armor of Asvald Stormwrack relic is not listed as Terminator armour in the rules and does not cause weapons to change to Terminator weapons, even though it has the same rules as Terminator armour. Does this mean a character wearing the Armour of
