ETM Course participants. If you have registered for an ETM Course, you are required to sign up for access to the manual prior to attending a course.

How to Train - Breathing Techniques and Instructions ...
Having been an EMST/ATLS trauma instructor for 7 years previously, I must say the quality of materials developed for ETM course is exceptionally good and the ibook format of course manual is far superior to anything EMST/ATLS has got currently! The current ATLS app is mediocre compared to what you get in even these free sample chapters of the ...

Emst Manual - orrisrestaurant.com

I've been teaching on ATLS-EMST since 2006 and a course Director here in Australia for the past few years. In recent times I've seen how quickly FOAMed can narrow the 'knowledge translation' gap from concept to practice - and become
