Q: I have an LP 711 timer, how does / do you operate the 1 hour boost / override for the central heating. it does not make this clear in the instructions A: If yours is the latest model with the boost function then you just press and hold the boost/advance button in. If it is the older model, then you will need to upgrade.

*Can you tell me where I can download a  
user manual for ...*

Hi - wondered if anyone had any info on  
this new type of programmer BG are  
fitting now? Looks and works a bit like  
the Hive but not as intelligent - little bit  
clunky setting the schedule for it (only  
got left with mini 'How to use...' booklet),  
so wondered if some can ID the  
make/model so I can see if there are any  
more instructions out there for it.
