Book review: "Food in History" by Reay Tannahill | Patrick ...

Food in History. The book is divided into the following sections: prehistoric times, 3000 BC to 1000 AD, 1000 AD to 1492, 1492-1789, and 1789 to the present. In each section, there are separate chapters on areas of the world, such as China, India, the Arab World, Europe, and the Americas. One slightly annoying facet of the book is Tannahill's...

Food in History, by Reay Tannahill

She published her first non-fiction book in 1964. The international success came with the novel Food in Reay Tannahill was born on December 9, 1929 in Glasgow, Scotland, where she brought up. Her forename was the maiden name of her mother, Olive Reay.

---

Reay Tannahill - Wikipedia

"In the very earliest times nature was in charge and the problem of the food supply was good deal simpler than it is now - although perhaps it would be wiser to say 'must have been simpler', since there are as many theories about prehistory and the pattern of human evolution as there are theoreticians.

---

Food in History by Reay Tannahill - Goodreads

Food in History is an academic, yet readable, overview of food throughout history. From prehistoric hunting and gathering to modern day genetically modified crops, Tannahill looks at how

---

Food in History - Reay Tannahill - Google Books

When Reay Tannahill began working on the book that became "Food in History," she was entering virgin territory. No one before her had attempted to chronicle the relationship of humans and their food from before the dawn of history down to modern times. The result, published in 1973, was a surprise bestseller.
