Ford Kent 1600 Crossflow tuning - Page 1 - Engines ...

This engine has been part of the business from the start and is still very popular in all forms of motor sport. We have built this engine from the early pre-Crossflow to the later design Crossflow competing in formula ford, short oval, rallying and racing from 997cc to 2200cc and even electronic fuel injection versions.

Rebuilding and Tuning Fords Kent Crossflow Engine: Peter ...

Engine Fitting Pre-Crossflow to Crossflow Nearly every classic Ford was fitted with a Crossflow — except of course the big ones like Granadas and Zephyrs. The only real time retro fitting a Crossflow's a consideration, is to replace the engine in a car that was originally fitted with a pre-crossflow, in which case, a Crossflow swap is a doddle.

Ford Kent engine - Wikipedia

The engine was picked up and turned into a competitive racing unit by numerous tuning firms including the new start up Cosworth. Ford Pre-Crossflow Engine Ford developed this engine from the original 997cc unit through 1198cc and 1340cc using the same bore but altering the stroke to gain the extra capacity.

Ford Engines - Ford Kent Crossflow engine (1959-84)

The Ford Kent is an internal combustion engine from Ford of Europe. Originally developed in 1959 for the Ford Anglia, it is an in-line four-cylinder overhead-valve-type pushrod engine with a cast-iron cylinder head and block.. The Kent family can be divided into three basic sub-families; the original pre-Crossflow Kent, the Crossflow (the most prolific of all versions of the Kent), and the ...

Ford Kent Crossflow Tuning Guide - Lotus-Ford Twin Cam

Just thinking ahead as regards an engine build for the Anglia, i want to stay X-flow and im looking for ideas for putting an engine spec together.. Its a fast road trackday set up and i want to tune for torque rather than flat out bhp, i dont want a screamer thats going to need a rebuild every six months so a sensible red line is the order of the day,i would also like to run bike carbs, any ...
