~~Freedom from Command and Control | Rethinking Management ...~~

~~John Seddon's book, Freedom from Command and Control: A Better Way to Make the Work Work, is basically about systems thinking. He argues for Six Sigma-style control charts and the move away from targets dictated by the top. It's a shame many organisations continue to think that command and control style management, instead of collaborative, [...]~~

Freedom from Command and Control: Rethinking Management

...

John Seddon's Book "Freedom from Command and Control" catches the eye immediately with the promise in the title. Can there be such a thing as Freedom from Command and Control? The workforce have longed to be liberated from the directive, destructive "Command and Control" that has passed for management strategy for such a long time.

Amazon.com: Customer reviews: Freedom from Command and Control

Freedom from Command and Control incorporates the ideas of acting on systems instead of people, designing work to meet customer demands instead of fixed quotas, driving decision making down to where the work is done, and examining the flow of work while continually assessing and reducing the non-value added activity in that flow.
