Those undertaking this training must meet the full requirements for MCA Basic Training for Liquefied Gas Tanker Cargo Operations, relevant to the endorsement required as listed in section 4.2 or 4.3 of MIN 535 (M), including Tanker Fire Fighting and evidence of at least 3 months' seagoing service on the applicable Tanker type.

Tanker Training | Tanker Fam Advanced Oil Chemical & Gas ...

Last year I wrote a wonderful review on google for CARSTAR noting their professionalism, timely man... er in getting my car fixed, and being overall on top of the ball. Unfortunately, I am writing this review as an UPDATE as I had to bring my car back in, literally one year to the date, to have them fix a paint job on my bumper that they messed up.
