Study suggests 'happy wife, happy life' maxim is true

The advice could be redeemable. The husband should lavish his queen with love, finding a great deal of his joy in hers. And one could say it from an eternal perspective: Happy wife (in the Lord), happy life. But what is most often meant by this phrase cannot be missed: a man’s life is less miserable when his woman gets her way.

Happy Wife Happy Life

There’s all sorts of antiquated marriage advice out there, but it turns out that there’s one relationship trope that actually holds true: “Happy wife, happy life.” A recent study published in the Journal of Marriage and Family found that men who are unhappily married may still be happy with their lives overall -- as long as their wives are satisfied with their marriages.
