A Mindfulness Definition for Kids. Mindfulness can be defined in simpler, easier-to-understand terms for children. For example, mindfulness expert David Gelles defines it as "the simple practice of bringing a gentle, accepting attitude to the present moment" (n.d.). Children should find it easy to understand what mindfulness is based on this definition, but you might need to discuss it ...

This practice is really about communicating with the inner critic, and, as for Lilah, the first step is to catch that voice when it appears. We notice that the critic lives in a world of absolutes, with little room for nuance or gray areas. Her favorite words are should, always, and never, and blame ...
