Around Berkshire, Herne is depicted wearing the antlers of a great stag. He is the god of the wild hunt, of the game in the forest. Herne's antlers connect him to the deer, which was given a position of great honor. After all, killing a single stag could mean the difference between survival and starvation, so this was a powerful thing indeed.

Encountering Herne the Hunter is a bad omen especially to the royal family. According to local legend, Herne only appears in Windsor Forest when needed, such as in times of national crisis. Was Herne the Hunter Cernunnos, the Celtic horned god or the Norse god Odin? There many ancient accounts of people and gods with horns. Horns represent the primal power of nature, express the unstoppable power and the majesty and throughout human history, horns have been synonymous with this strength.

Thoughts, and Visions: Herne the Hunter

I was afraid this was going to be another new agey book about the horned god so important in Wicca. I am pleasantly surprised that it is a scholarly work exploring the legend of Herne the Hunter who has haunted Windsor forest at least since first reported by Shakespeare in The Merry Wives of Windsor. The author relates this myth or legend to those of horned and antlered figures/deities and ...
