work and whether you can afford to take the high risk of losing your money.

~~Simple Yet Powerful Price Channel Techniques - Forex ...~~

Price action trading requires patience. This is because it requires the trader to wait for confirmation at support & resistance. The confirmation could be in a form of a Pinbar or Engulfing pattern. But by waiting for confirmation, traders tend to miss trading opportunities when price simply 'touch and go'.

Get Free High Performance Price Action Trading Monetize Your Knowledge In Reading The Charts Candle By Candle High Performance Price Action Trading (P.A.T.)

What is price action trading and how does it work ? Price Action Trading (P.A.T.) is the discipline of making trading decisions from a clean price action chart with no indicators. All financial markets generate data about the movement of the price of a market over varying periods of time; this data is displayed on price charts.

~~High performance Price Action trading: High performance ...~~
Scalp Trading & Price Action. So why do scalp trading and price action work so well together? Price action trading is about being in tune with what price is doing right now, so you can predict with a high degree of accuracy what it will do next. Scalp trading is about the same thing. A scalp trade normally only lasts 5-30 minutes.
