Step 1: To draw Naruto, start with an oval near the bottom half of the page. Draw two small lines under the oval. These will be the basic shapes for Naruto's head and neck. Step 2: Next, draw two intersecting lines across the circle, one vertical line and one horizontal line. When drawing the lines, bend them so they follow the contour of the shape. These will be construction lines that will help you place Naruto's features later on.

How to draw Naruto step by step. Start by drawing a circle, this will be the base of the head; We draw a vertical line right in the middle of the circle. We will use this line to split the head in two and create symmetrical elements. Its length should be almost double the circle's diameter. We connect the sides of the circle with the extremity of the line, like in the image. Erase the part of the circle like in the image. We draw the eyes
