### Humvee Engine Specs

In 1979, the U.S. Army drafted final specifications for a High Mobility Multipurpose Wheeled Vehicle (HMMWV), which was to replace all the tactical vehicles in the 1/4 to 1 1/4-ton range, namely the M151 quarter-ton jeep and M561 Gama Goat, as one "jack-of-all-trades" light tactical vehicle to perform the role of several existing trucks.

### Home - Military Humvee - Hummer Engines, Tires, And Rims

Basically the engine falls into GM's Medium Duty Truck/Van gasoline engine classification. Also when the first gas engine was installed in 1995 model year HUMMERS, the T-case had to be beefed up to withstand the spike input torque the gas engine was able to generate above those of the HUMMER 6.2L and 6.5L N/A diesel engines of that day.

### Dodge M880 Specs | It Still Runs

How do you tell if a HMMV has the 6.2 or 6.5 in it. I have an 87 and a 94 M998, the 87 was listed with the 6.2 and the 94 was listed with the 6.5. The 94 model has a blue rebuild sticker on the valve cover done in 2009, but I need to know what engines are in them for sure, thanks
