I Was Here: A Travel Journal for the Curious Minded. This colorfully illustrated, guided travel journal encourages users to explore the easily overlooked and wonderful everyday details encountered while traveling, whether near or far away.

travel | I was here.

So here's the thing, grammar is defined by linguists (the scientists who study language) to be the observed patterns of speech of native speakers of a language/dialect. Since there appear to be quite a few examples (even in published and -- one presumes -- edited sources) of its use by native speakers therefore it is grammatical.

Beyoncé - I Was Here (United Nations World Humanitarian Day Performance Video)

But here's the thing, while I can somehow manage (or ignore) the fighting at home, it just seems wrong on a trip. Traveling is meant to be relaxing, a time to recharge and refuel.

I Was Here A Travel

The I Was Here travel book and vacation journal includes: Plenty of space to capture addresses, itineraries, reviews, and tips from locals A reference section with time zones, measurements, and other relevant information

I Only Travel With One of My Kids at a Time — Here's Why ...

For Katina and Scott of Wish You Were Here Vacations, travel isn't just a job or even a career, it's their passion. While technology has allowed us a peek into other cultures and glimpses into the sights of other countries, actual travel allows our horizons to be broadened, provides us the opportunity to meet new people, experience new cultures, try new foods, see things we can't see in ...
