From shy and reserved to confident and spunky, fun-loving siblings Tyriek, Deyja, Jameer and Brian shine brightly as individuals, but they absolutely dazzle as a group. Mature and level-headed Tyriek is always mindful of providing a good example to his younger brothers and sister, and – despite his shyness – won't hesitate to make people laugh.

### Jameer Nelson - Denver Nuggets #1

Prof Jameer is okay, but I would not take him if you are actually trying to learn the material. He is really hard to understand. I asked him many questions in class and he answered them as if he didn't really understand what I was saying either. Grade is composed of four test, quizzes, four case studies, and a final. You need to study every detail!
