A written leadership philosophy achieves the same thing on a personal level: it lets people know what you expect, what you value, and how you'll act, with the additional benefits of making the workplace less stressful and more productive. And, like a compass, it helps keep you, the leader, on course.

Leadership Philosophy essays

With a clear leadership philosophy, you create a focused thought system surrounding your leadership, and you define the behaviors and attitudes you want to cultivate in yourself, but also in others. Leadership doesn't just provide focus for you personally, but it can allow the people around you to know what to expect from your leadership.
