Where To Download Less And More The Design Ethos Of Dieter Rams Klaus Klemp

The Citizens' Institute on Rural Design (CIRD) is a leadership initiative of the National Endowment for the Arts in partnership with the Housing Assistance Council, along with buildingcommunityWORKSHOP. Focusing on communities with populations of 50,000 or less, CIRD's goal is to enhance the quality of life and economic viability of rural America through planning, design, and creative ...

Clearinghouse for Labor Evaluation and Research (CLEAR)

Sinéad Burke is acutely aware of details that are practically invisible to many of us. At 105 centimeters (or 3' 5") tall, the designed world -- from the height of a lock to the range of available shoe sizes -- often inhibits her ability to do things for herself. Here she tells us what it's like to navigate the world as a little person and asks: "Who are we not designing for?"
