With Cat® Detect proximity detection system, you can equip any machine—existing or new, with cameras to give your operators a better view of what's happening around their equipment. Learn more here.

3408C, 3412, 3412C, and 3412D High Performance Marine

According to another post by Dave a year or so ago, i believe the 3JK engines are 3412C PEEC units, and are not J1939 protocol. The EVD appears to be supported by the Cat Data Link, via the Engine Vision Interface Module. Cat Dealer tells me that my engines do not support the EVD. Hatteras documents show it shipped from hatteras with the EVD.

Caterpillar 3408, 3408B, 3412 Engines Factory Service

For your largest power needs in any environment, Cat ® 3512B Industrial Diesel Engines offer the unsurpassed performance and durability your customers need to keep their industrial applications and operations running. They deliver high power output, proven reliability and excellent fuel efficiency. These engines maintain low operating costs to keep your customers profitable for years to come.
