This sample Mathematical Methods paper shows the format of the examination for 2017. (ii) Using your answer to part (b)(i), calculate the probability that, if two seeds are planted in each of the six pots in each tray, at least one of the seeds in each pot will germinate and grow into a seedling. (2 marks)

Year 11 Maths Methods

To cheat on a math test, discreetly use your phone or sneak notes into the room. If you can subtly use your phone during your test, try texting a friend who's good at math to ask them for an answer you're stuck on. If you don't know anyone who's good at math, use a service like "Text a Tutor," to get the answers to tricky questions.
