Meaning and style in language The whole object and purpose of language is to be meaningful. Languages have developed and are constituted in their present forms in order to meet the needs of communication in all its aspects.

Introduction to Language | Boundless Psychology

The Meaning of Language • When you know a language you know:
• When a word is meaningful or meaningless, when a word has two meanings, when two words have the same meaning, and what words refer to (in the real world or imagination)
• When a sentence is meaningful or meaningless, when a
