preceding the practice tests has some pretty good info that sums up many of the basic principles of flight. The practice tests are very close to the actual test. TIME YOURSELF!!!

Many people taking the military flight tests do not do well because they simply study the questions and do not take the tests for time.

Guides. As you can see, the Air Force Officer Qualifying Test can be tricky. It's not that it asks really hard questions, but that it is very different and is mainly based on a strict time requirement.

Therefore, the best thing you can do as to improve your overall chances is to get a hold of a AFOQT Study Guide.
