Alert Solutions | Multi-Channel Messaging and Communication

The best metaphor for a multi-channel marketing is a wheel with spokes. At the center of the wheel is your product (i.e., a sale). On the outer rim of the wheel are your customers where each channel offers a separate and independent opportunity to purchase. There's nothing sacred about how many channels you sell on.

The Omnichannel Solution with Zendesk

A multi-channel cloud contact center is a customer experience (CX) solution that integrates multiple touchpoints - including voice, text, social media and the web - making them accessible via an Internet server. Omnichannel vs Multichannel: What is the Difference?

Multichannel marketing refers to the practice of interacting with customers using a combination of indirect and direct communication channels - websites, retail stores, mail order catalogs, direct mail, email, mobile, etc. - and enabling customers to take action in response - preferably to buy your product or service - using the channel of their choice.

multichannel-solutions.com - Omni Commerce
