Overview Miscarriage and Baby Loss is a traumatic event which effect women and parents both physically and mentally. Grief is a normal and natural reaction to loss, the shock is unbearable. It feels like your heart has been ripped apart and you struggle to even breathe.

Joy at the End of the Rainbow: A Guide for Pregnancy After ...

When a woman has two or more consecutive miscarriages this is known as repeated or recurrent miscarriage. A woman who has had just one miscarriage will likely go on to have no future problems. However, if she has had two or more repeated miscarriages, testing may be necessary to determine the cause.

What It Means to Be a 'Rainbow Baby' and Why Rainbow ...

Remember that your hormones were already imbalanced and raging all over the place from being pregnant in the first place, so understand that even after a miscarriage, those same hormones may not go back to normal right away. It's normal to experience even more severe moodiness and/or irritability.

Rethinking the Rainbow: Hope after Miscarriage - Christ ...

MiscarriageHelp.com- Over The Rainbow by Ellen M. DuBois on 08/12/14 The song "Somewhere Over The Rainbow" ran through my mind, very unexpectedly, as I sat to write this post. I just let the words flow and they related to the pain and loss experienced after miscarriage- after so many losses. Here's what "came out": Somewhere, over the rainbow-

Over The Rainbow Miscarriage and Baby Loss Journal - Home ...

The term "rainbow baby" is used by parents who are expecting another child after losing a baby to miscarriage, stillbirth, or neonatal death, which, sadly, are all-too-common parts of the fertility journey. It's used frequently on blogs and message boards by mothers who've gone through pregnancy loss.

They call them rainbow babies, the ones who are born after infant loss, stillbirth or miscarriage. Something to do with rainbows coming after a storm. I try to remind myself that newborn babies are...

What Is a Rainbow Baby?

Being pregnant again after a loss was the second hardest thing I ever did after saying hello and goodbye to my stillborn baby girl. I found few pregnancy after loss resources while I was pregnant with Zoe, so three months after my rainbow baby's birth I founded Pregnancy After Loss Support (PALS).PALS is a place where moms pregnant again after miscarriage, stillbirth, infant death, and child ...

Rainbow Baby or Pregnancy After Miscarriage

Somewhere in this world is a group of children borne by women who walked through the destruction of miscarriage, children who bear the symbolism of a covenant promise. It becomes more problematic, though, when you consider the exclusivity of this sort of hope. Not all women who walk through miscarriage will hold a rainbow baby.

Guest Post: Somewhere Over the Rainbow: My Miscarriage ...

A rainbow baby is a baby born shortly after the loss of a previous baby due to miscarriage, stillbirth or death in infancy. This term is given to these special rainbow babies because a rainbow typically follows a storm, giving us hope of what's to come. Having a baby soon after losing one brings a slew of emotions,...
