Dr. Daniel Kalla is a practicing emergency room physician at a major hospital in Vancouver, British Columbia. Pandemic is his first novel. What Our Readers Are Saying

*Daniel Kalla - Wikipedia*

Kalla has stated that he got the idea to write his debut medical thriller, called Pandemic, from the clinical experience of his own during the SARS crisis in 2003. Five of his medical mysteries/ science thrillers delve into the diverse topics and themes like drug addiction, DNA evidence, superbugs, patient abuse, and pandemics.

*Pandemic book by Daniel Kalla - ThriftBooks*

Daniel Kalla is a Canadian author and physician. He has written several popular novels in the thriller and historical fiction genres, all with medical themes. He was the director of Emergency Medicine at St. Paul's Hospital in Vancouver, British Columbia.

*Pandemic: Daniel Kalla: 9780765350848: Amazon.com: Books*

Pandemic by Daniel Kalla is a very complex book. I would recommend this book to anyone who has free time. This book talks about a disease that is spreading all over Europe, Asia and Africa. This disease is similar to the flu but it doesn't go away and is more extreme.
