area of the protection of children, and concerning the way in which consent can be collected from the holder of relevant parental responsibility. Organisations that process personal data relating to children should watch for the creation of such codes, which might impose particular additional requirements.

What rights do children have? | ICO

Children need fresh clothes every day, even if their old clothes don't smell. Clean underwear every day is especially important. You (or they, if they are old enough) can hang up their school uniform to air when they get home each day. More information Visit the Raising Children Network website for a graphic guide to good personal hygiene habits.
