Pfister Replacement Parts | Pfister Faucets

Price Pfister, a leading plumbing fixture manufacturer owned by Stanley/Black and Decker, discontinued the 17196-0100G faucet in 2009, according to the American Society of Sanitary Engineers. However, older 17196-0100Gs can still be found, and succeeding models exist on the market, all with the same basic installation instructions.

---

Price Pfister Repair Manual

The first step to faucet repair is to identify the product you are working with. The product model number (usually an 8 digit code, i.e. F-529-7AYY) is displayed on the product package and on the instruction manual right below the product name.
