QuickBooks Pro 2012 - Simon Sez IT

I have over 12 years of quickbooks transaction history. Is there a way to hide or close the old data that would not be able to be viewed any more or generate report from? I am not talking about setting a closing date and password. With that everything can still be viewed but only requires a PW to make changes for prior to closing date. I was wondering if I can make the history to be history ...
