Ravelry 3 Gnomes Pattern By Tatyana Korobkova

Gnelfy and his sister Gnevie are nisses or tomtes or to me gnomes. When worked in Aran/Worsted Weight they measure 13 inches/33cms from top to toe (not including hats); when worked in Double Knit/Light Worsted Weight they measure 11 inches/28cms (not including hats). Any yarn works, but keep it all the same weight for each gnome.

Basically, the wee size is for gnomes about 2-3" wide whereas the chunky size is for gnomes about 4-5" wide. You can cut out my gnome hats by hand with a pair of scissors or a craft knife using the PDF pattern, but I prefer to use a cutting machine like a Cricut because I can get perfect curves and shapes.
