One of the longest-running automobile manufacturers in the world, Renault is by far and away the most recognisable name and marque in French car manufacturing. Their history is long and varied, and their cars are popular far beyond the boundaries of France (as well as being very prominent on the streets of all French cities).

Renault Espace Diesel problem Vol1. I have a Renault Espace Diesel 2.2 DCi(Registered in 2000) and have had repeated problems over the last few years which my garage have failed to identify. It starts up fine - but after driving for a while (usually on motorways for 1hour) I experience a major loss of power accompanied by a warning signal and can limp along at about 30mph until I reach a hill!
