Rotary Lift | Setting the standard for hydraulic vehicle lifts

Rotary Lift the originator of the hydraulic lift, is the industry leader in the car lift business. Car lifts were an idea born from our founder, Peter Lunati, to improve the everyday life for each repairman. Rotary Lift® has been the leader and innovator in the auto lift business for nearly 90 years.

Two Post Lifts | Rotary Lift

Rotary in-ground lifts have a smaller footprint that lets you put more lifts in your space, allowing you to get more vehicles in and out of your shop. Because of that, our Smartlift™ models are perfect for dealer service departments, while our heavy-duty models can help heavy-duty maintenance shops make the most of their various fleet demands.

Resources | Rotary Lift

Rotary Lift is the world's leader in hydraulic lifts. Searching for a car lift, car hoist, 2 post lift, vehicle lift or truck lift? We have it and more.
