Sales Techniques - Solution Selling - Pipeliner CRM

Under the conventional solution-selling method that has prevailed since the 1980s, salespeople are trained to align a solution with an acknowledged customer need and demonstrate why it is better ...

Solution Selling Steps

Solution selling is the process of selling the customer a solution to their problems as opposed to a product or service. The term is associated with the sales of products and services that can be used as the building blocks of a custom implementation. Solution selling is common in areas such as construction services, software and outsourcing sales.

5 Steps to Selling the Solution, Not the Product

Solution Selling provides an end-to-end series of next steps to follow. End-to-end means from the beginning of a sale right through to winning it. This includes precall planning, creating interest, diagnosing the problem, vision processing, controlling the sale, closing, and postsale tracking.

The 7 Steps of the Sales Process - Steady Sales

Sometimes this is also referred to as solution-based selling. Solution selling is a sales methodology. Rather than just promoting an existing product, the salesperson focuses on the customer's pain(s) and addresses the issue with his or her offerings (product and services).

Solution Selling - The Six Steps

A Solution Selling is built on the assumption that whenever someone buys a product or a service, they make that purchase for a reason. It's not about your products or services. They're trying to ...

The solution selling technique - SearchCustomerExperience

The solution selling process is exactly what it sounds like: selling a customer on a solution (your business or product) that helps them overcome a problem. A solution selling process differs from a more traditional sales process because, instead of just pushing a product, the seller focuses on a specific issue or problem the customer faces and suggests corresponding services or products to solve that issue.

Solution Selling - SlideShare

When adopting a Solution Selling approach, the idea is to discover what pain points a customer has and forming a solution for them rather than pushing a specific product.

Solution Selling: The Ultimate Guide - HubSpot

5 Steps to Selling the Solution, Not the Product 1. Consider the Customer's Pain Points. 2. Engage, Then Inform. 3. Focus on Solutions, not Products. 4. Highlight Your Differences. 5. Sell the true value.

Solution Selling Methodology Training - SlideShare

The problem resolution is what constitutes a "solution". Solution selling is usually used in sales situations where products are just one of the elements that lead to a solution. Often the real solution develops after the sales process—as with software or large plant engineering and construction projects. It is typical for solution selling situations that the buyer only rarely purchases such a solution and instead needs the knowledge of the solution partner.
