Book Review | The French Gardener by Santa Montefiore. The story takes place in one very special garden, and moves back in forth in time to reveal how it changes the lives of two families, at first so strikingly different, but moved in many ways by the same need for love and family. Miranda and David Claybourne are the stereotypical city couple...

The French Gardener tells the tale of two women who live in the same house but thirty years apart. One, Ava Lightly, is an avid gardener, mother, and well-loved local who, with the help of a young Frenchman her husband pushes on her as payment for a business debt, turns the gardens of Hartington House from nothing to showstopping.
