Before we begin troubleshooting, please read the following information: The Wii and Wii mini consoles are compatible with games designed for the Wii console. Discs made for other gaming consoles and other media formats (DVD, Blu-ray) will not play in the Wii. The original Wii model (RVL-001) is also compatible with games designed for the GameCube.

Nintendo Support: Downloadable Manuals

Playing the Wii excessively causes repetitive strain injuries in some users. Some reported ailments include injuries to the back, elbow, wrist, knee and shoulders. Doctors recommend "warming up" with stretches before playing and to take at least a 15-minute break every hour.
