I've only just realised this sub-forum is here. I recently replaced the CDRW on a Yahama AW16G. I'd gone to another couple of forums for information and instead I ended up posting a complete guide to replacing the drive myself.

Yamaha AW16G | Sweetwater
First there was the 4416, then the 2816. Now Yamaha have announced a baby brother for their AW audio workstations, in the form of the AW16G. Hugh was clearly impressed with both the AW4416 and AW2816. The AW16G shares much of the core functionality of it's more expensive siblings, as well as many ...

Yamaha AW4416 User Tips: Part 1 - Sound on Sound
The technical features have already been mentioned by other people in the reviews. It's certainly a good machine, but, coming from a 4-track tascam cassette recorder, I am totally lost. I don't understand anything. And yamaha interfaces are very particular; you really need some time with them. The ...
