Once you have submitted the form, you are registered for training. Please print/save the completed form. An email notification will also be sent to you within an hour of submitting. If you have questions or did not receive your confirmation email, call (800) 327-9735 or email software_training@zeiss.com.

ZEISS Industrial Metrology Homepage

This training consists of training a CMM operator to be familiar with opening programs and running them either through the Calypso CAD window or through the Auto Run function. This class is structured for a CMM operator and is excellent for the off-shift personnel. Each class will have instruction along with "hands on" situations.
